About Me

B.Sc. IT graduate with certifications in Digital Marketing, MS Excel, and Power BI. Possess a strong interest in technology, data analysis, and digital marketing, with a willingness to learn and adapt to new tools and technologies. A quick learner with good problem-solving and communication skills, capable of working effectively both independently and as part of a team. Seeking an entry-level opportunity to apply my technical and analytical skills while gaining practical experience and contributing to organizational growth.
